

# Join the Six Flags® READ TO SUCCEED Club today!

January 2017

Dear students and parents,

Live Oak students in kindergarten through fifth grades are invited to earn one **FREE** ticket to Six Flags® Fiesta Texas Park, in San Antonio! This special promotion is sponsored by Six Flags® and Discovery Education.

## Requirements to earn the FREE ticket are simple, easy, and fun:

1. The student will read for a total of 360 minutes of recreational reading before/after the regular school day. Reading for homework or class assignments may not be included. Students can read silently, aloud, or with an adult – you can read to your child, or your child can read to you.
2. The student or parent will write down titles of reading materials and dates read.
3. The parent (or other responsible adult) will listen to or observe the student reading and sign each minute/time line on the “Six Flags® Read to Succeed Student Reading Log”.
4. The parent will fill out and sign the “Signature Section” on the bottom of page 2 of the Student Reading Log.
6. The student will return the “Six Flags® Read to Succeed Student Reading Log” to the Library on or before Friday, February 24th, 2017.

Students may begin counting minutes on Tuesday, January 3rd and must finish on or before February 24th. Students are encouraged to read DAILY toward the 360-minute goal. The goal can be met by reading for 20 minutes each day. Books, magazines, comic books, and newspapers are acceptable reading materials.

It is very important to fill out the “Six Flags® Read to Succeed Student Reading Log” regularly. Six Flags® requires that these logs be filled out and collected in order for students to receive the **FREE** ticket. All reading logs **MUST** be turned in to the Library by Friday, February 24th.

The **FREE** tickets will be distributed in May. **These tickets are valid for admission on select dates during the 2017 season. Dates will be included on the tickets.** The **FREE** tickets are intended for the students who earn them and are invalid if sold or given away.
