Announcements

Portfolios – Ooops! We accidentally sent writing portfolios home! Please send back materials from this week's Wednesday folders. Thank you!

Reading & Writing Support at Home – First Grade means full days with lots of reading and writing! The materials ReadWriteThink.com can help make the most of the time outside of school.

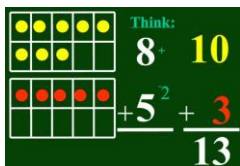

Cooler Weather – means lots of layers! Please make sure to send your child with a sweater or coat to school daily. It is also helpful to write your child's name on item tags for quick identification if your child misplaces them.

Soil Samples – For the next few weeks in science, our class will be studying rocks and soil. I am asking out kiddos to bring soil and rock samples from home. Samples can come from yards, home gardens, or flower beds. Please send a small baggie with your child's name and where the rocks and/or soil came from. Thank you for your support.
