I have enjoyed getting to know everyone here at Live Oak over the past couple of weeks! I am amazed at how much I have learned from our students as well as from Mrs. Martin. I have started teaching the writing lessons and I love hearing all of the wonderful poems that our class has created. I recently started teaching math as well and have enjoyed seeing the students work through and find different ways to solve problems. Thank you for all of your support and I hope everyone has a great week!
