Games

### Science

Science Tools  
Science Safety

### Link of the Week

Counselors are looking for parent feedback about their careers. Click on [this link](#) to share about your career with our amazing counseling staff!

## Announcements

**Homework** – First grade requires at least 15 minutes of reading each evening. Reading logs will go home at the beginning of each month except September. Other than that, enjoy time together! We work hard here every day, so you can play hard at home. Go for a walk, cook dinner together, make a card for a neighbor, or solve math problems you make up – make memories!

**Snacks** – We have snack time every morning, so please send a healthy “brain food” snack (i.e. cheese crackers, fruit, dry cereal, pretzels, etc.) with your child daily. Please refrain from sending sweets or anything needing heating up or refrigeration. We are currently on our second box of saltine crackers as emergency snack. Any donations of dry cereal, cheese crackers, fruit snacks or pretzels would be greatly appreciated.

**Social Contract** – As a part of a school-wide initiative, our class is working on creating our very own classroom contract. We will collaborate and create a list of expectations we have for ourselves in our classroom, including expectations for the teachers/leaders of the classroom. I will post a photo on our class blog when we finish!

**Open House/Back to School Night** – is coming soon! I will explain procedures, expectations and other good 1<sup>st</sup> grade information including great ways to support your young reader at home. This will also be a great time to sign up for PTA and schedule our fall conference. I hope to see everyone there!
