## What are we learning?

### Language Arts

Setting Up Readers Workshop  
3 Ways to Read  
Setting Up Writer's Workshop  
Getting Ideas for Writing

### MATH

Number Sense to 20  
Problem Solving

### Science

What is Science?  
What do Scientists do?

### Miss Cobio's Corner

Hello All! My name is Elsa Cobio, and I am an intern from the University of Texas at Austin. I am majoring in Special Education, which is why I have the wonderful opportunity to be working with Mrs. Martin and her first grade class. I'm really excited to be teaching this year, as well as learning from all the students in our class.

## Announcements

**Morning Holding Area** – starts next week!! Starting on Tuesday, September 8th, all students will go to the cafeteria in the morning. I will come to pick up the class at 7:35 and walk them to our room. If a child arrives after 7:35 and needs assistance getting to our classroom, the school will have staff in the hall to help. I appreciate your support as our school works on systems to create a more efficient learning environment for everyone.

**Open House** – is coming soon! I will explain procedures, expectations and other good 1<sup>st</sup> grade information. This will also be a great time to sign up for PTA and schedule our fall conference. I hope to see everyone there!

**Snacks** – Please send your child with a healthy snack daily! If you have spare boxes of saltines, dry cereal, or cheese crackers – we'd love a donation for emergency snacks.

**Fridays are College Spirit Days** – Our school is trying to support higher education and “more school after school”. Have your child wear any kind of college or higher education shirts on Fridays.

**Absences** – You can [electronically report](#) an absence on our school website. Please note that this does not notify me. If you are able, please e-mail me or call the classroom to leave a message letting me know your child will be out. Thank you!
