Pet	Tally Marks	Number
	### ##	10
		4
	###	6

#### MATH

Number Sense to 20  
 Problem Solving  
 Collecting and Graphing Data

#### Science

Science Safety  
 Identifying Properties of Materials

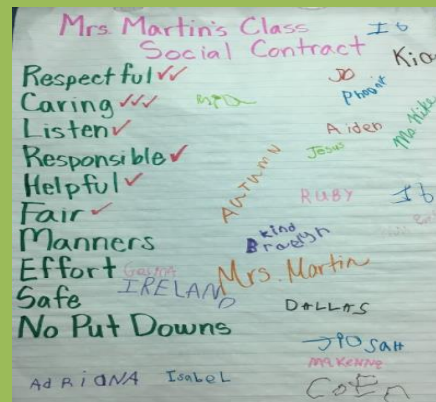

#### Link of the Week

We have an amazing PTA! A portion of the \$6.50 membership fee goes towards supporting fieldtrips and supplies for the classroom. Please check and out follow their [website](#) and on Facebook and Twitter!

### Announcements

**Snacks** – I am still seeing 6-8 students needing emergency snack regularly. We have snack time every morning, so please send a healthy “brain food” snack (i.e. cheese crackers, fruit, dry cereal, pretzels, etc.) with your child daily. *Any donations of dry cereal, cheese crackers, fruit snacks or pretzels would be greatly appreciated.*

**Social Contract** – Here’s what our class has decided are the most important rules for our classroom. They were asked 4 questions to help them build this. Every checkmark means that that term came up as an answer for multiple questions.

**Open House/Back to School Night** – is Thursday, September 14th! I will explain procedures, expectations and other good 1<sup>st</sup> grade information including great ways to support your young reader at home. This will also be a great time to sign up for PTA and schedule our fall conference. I hope to see you there!

**Fridays are College Spirit Days** – Our school supports higher education on Fridays. Have your child wear any kind of college or higher education shirts on Fridays if they are able.
