Read to Someone
Writer's Workshop
Stretching Sounds and
Spelling the best we can

MATH

Counting Strategies
Subitizing

Science

Identifying Properties of
Materials with other 1st
Grade teachers!

Link of the Week

We are hoping to have our first field trip in mid-October. If you hope to attend ANY of our field trips or volunteer on campus please check out the [volunteer application webpage](#). This application must be renewed every year!

Announcements

Snacks – We are officially out of emergency snacks. Mrs. Martin has provided multiple boxes of crackers and we have gone through our donations. Mrs. Martin is unable to provide any more extra snack until after the weekend. *Any donations of dry cereal, cheese crackers, fruit snacks or pretzels would be greatly appreciated.* I am still seeing 6-8 students needing emergency snack regularly. We have snack time every morning, so please send a healthy “brain food” snack (i.e. cheese crackers, fruit, dry cereal, pretzels, etc.) with your child daily.

Open House/Back to School Night – is this Thursday, September 14th! I will explain procedures, expectations and other good 1st grade information including great ways to support your young reader at home. This will also be a great time to sign up for PTA and schedule our fall conference. I hope to see you there!

Library Days – are every other Tuesday. They are able to check out two books this year. I ask that there should always be ONE book in their book box at school at all times to be able to go to the library when they have library station. Once they bring back a book from home they can swap their books for the next time they are able to check out. Quick tip: Make sure all library books are in backpacks every Tuesday just in case!
