Getting Ideas for Writing
Writing Independently

MATH

Math Games – Start With/
Get To, Staircases, Collect
20, Compare

Science

What do Scientists do?
Science Tools with 1st Grade Teachers

Announcements

Morning Holding Area – starts next week!! Starting on Monday, September 15th, all students will go to the cafeteria in the morning. I will come to pick up the class at 7:35 and walk them to our room. If a child arrives after 7:35 and needs assistance getting to our classroom, the school will have staff in the front hall to help. I appreciate your support as our school works on systems to create a more efficient learning environment for everyone.

Open House – is next Tuesday! I will explain procedures, expectations and other good 1st grade information. This will also be a great time to sign up for PTA and schedule our fall conference. I hope to see everyone there!

Snacks – Please send your child with a healthy snack daily. I've had quite a few kiddos without snack the first few days. Any donations of crackers or dry cereal are welcome.

Fridays are College Spirit Days – Our school is trying to support higher education and “more school after school”. Have your child wear any kind of college or higher education shirts on Fridays.

Absences – You can [electronically report](#) an absence on our school website. You no longer need to call the office.
