## Dates to Remember

Oct 24-28 – Red Ribbon Week  
Oct 26 – Early Release @12pm  
Oct 28 – Trunk-or-Treat @ 6pm  
Oct 31 – Science Day & Parade at 8am

## What are we learning?

### Language Arts

Comparing Fiction & Non-Fiction Stories  
Writing Letters

### MATH

Telling Time to the Hour & Anchoring 10

### Science

Identifying Sources of Heat, Light & Sound Energy  
Exploring How Things Move

### Miss Cobio's Corner

It was fun teaching the students about titles and how titles help identify fiction & non-fiction books. They did really well separating their own books in their book boxes, too!

## Announcements

**Snacks** – Don't forget to send your child with snack daily. Crackers, fruit and granola bars are great brain food for mid-morning.

**Homework** – I am so proud of all the hard work I've been seeing on reading logs this month! Keep up the reading at home and writing down those titles. I will have celebration of reading on Friday and send home coupons no later than next Tuesday.

**Red Ribbon Week** – is October 24-28. Each day has a different theme. Here's the fun for the rest of the week:

Thursday 10/27 – Voting for my future to be drug free! Wear red, white and blue.

Friday 10/28 – Put a cap on drugs! Wear your favorite crazy hat.

**Science Day & Parade** – will be on Monday, October 31<sup>st</sup>! Check out last week's blog post for the list of science words.

**Reading Celebration & Rewards** – This past Monday our class got a great review from a substitute while I was out at a training. Because of this, we will have two fun events on Friday. Students will be able to bring their favorite books from home to read during Reader's Workshop and have Show-and-Tell time. Each child will have about 2-3 minutes of time to share something they bring. Previewing their show and tell items at home is highly suggested.
