

# Mon★Star Weekly

Mrs. Martin's 1<sup>st</sup> Grade Class – November 2, 2016

## Dates to Remember

Nov 11 – Veteran's Day Assembly @ 8am  
Nov 14 –18 – Book Fair in the Library  
Nov 21-25 Thanksgiving Break – No School

## Announcements

**Homework** – I am so proud of all the hard work I've been seeing on reading logs last month! We had 67% of our class meet their reading goal and 4 students receive awards for turning in 2 or more logs for the month of October. I would love to see our class participation goal of 90% or more in November. Keep on reading!

**Report Cards** – for the 1<sup>st</sup> nine weeks will go home this Thursday. Look at the blue rubrics closely to understand what an indicator of 3 (end of the year mastery) entails. Most questions will be answered by looking at the rubric. Expect 1s and 2s during this time of the school year. There are many topics that have not been addressed, assessed, taught and/or are ongoing throughout the school year.

**Daily Folder Inserts** – went in daily folders today. You will find Schedules and Calendars, Reading Resources, Lists of all Kinds, and Math Resources. Check them out and use them with your child at home. I had many parents ask how they can help at home. I hope you find these items helpful.

**Snacks** – Don't forget to send your child with snack daily. Crackers, fruit and granola bars are great brain food for mid-morning.

**Veteran's Day Assembly** – is next Friday, at 8am. Students will meet in the classrooms instead of in the cafeteria on this morning to have the cafeteria ready for this wonderful celebration.

## What are we learning?

### Language Arts

Noticing Non-Fiction Text  
Features, Reading & Writing  
Procedural Stories

Name / Value of the Number = Thirty-two

### MATH

2 Digit Place Value & Using Ten as a Unit

### Science

Forces & Motion  
Pushes & Pulls  
How Things Move

### Miss Cobio's Corner

I am looking forward to Apple Day tomorrow. I will be teaching a majority of the lessons including graphing, science journal reflections and teaching the procedural story about making apple sauce!
