Near Doubles Facts (i.e. 4+5, 7+8, 2+3) through 9+10 Collecting Data & Making Graphs

Science

Objects in the Sky

How do the sun, clouds, moon and stars change in the sky?

Announcements

Cold & Flu Season – is here! Please help us all stay healthy by keeping your child home until he/she is fever free for 24 hours without the assistance of medication. Please also review the importance of washing hands with your child. All the students thank you for your help with this.

Jackets/Coats – as the weather turns chilly and your child starts to bring outerwear, please be sure his/her name is on the item. This will help with any lost clothing!

Book It! –Remember ANY books your child has read or you have read to your child can be listed on this reading log. If your child receives reading homework, those books can be listed on this log as well. Take advantage of FREE pizza! December's log is due Jan 6th.

Holiday Party – is tomorrow! Please let me know if you are available to attend, help set up, or clean up. Any donations of snacks for our class party are welcome. We currently have donations of cheese cubes, cheese crackers, grapes and carrots, and brownies coming.

Please enjoy and have safe holiday. Keep your kiddos reading and take pictures of the sky during the day and at night.
